Enjoy the rich atmosphere of a colorful Italian country house and garden in historic Windsor Square. Villa Abbondanza, designed and built in 1923 by Golden Age Architect Marshall P. Wilkinson, Sr. French windows in every room bring the garden in. Olive trees, grape vines and bougenvillia will make you will feel like you are in Italy. Enter the high-ceilinged living room with hardwood floors and crown moldings. Sit by the fireplace designed after one in the Davanzanti Palace in Florence. Listen to the fountain and take in the view of the pool from the dining room. Relax in the sunroom with its original Italian tiled floor and watch the sunset under the grape arbor in the courtyard. Eat in the kitchen or work in the windowed office both with views of the pool and courtyard. Large bedrooms with large walk-in closets allow for luxurious living in the heart of the city. Remodeled kitchen and bathrooms with top-of-the-line Viking electric appliances. Move-in ready.
