Summit Legacy

Perched at the top of a quiet cul-de-sac, this Jon Bertram designed home has 180 degree city views from downtown Los Angeles to the Pacific Ocean. The gated home features 5 bedrooms, 5 bathrooms, multiple outdoor lounging spaces, and a large, and lush grassy yard perfect for entertaining. The large accordion windows in the kitchen completely open out to the pool deck creating a bar and entertainment area in just seconds. With all modern amenities, the home still holds it's original character with floor to ceiling walnut panels in the living room and Wohlerdt pendant lamps by Louis Poulsen throughout.
