This is a beautiful entertainer's dream home that also serves as a tranquil retreat, nestled in the hills in Sherman Oaks bordering Beverly Hills. The home boasts neutral color tones, refinished hardwood floors, a new kitchen with subway tile, quartz counter-tops, Viking Appliances and marble bathrooms, and pool! The master bedroom is secluded upstairs with vaulted ceilings and black out window coverings. Featuring 3 bedrooms and 2 bathrooms, this property features nature views from every window. Located on a quiet street. The bedrooms feature designer, hotel style bedding and have nature views from every window. There are unique spots on the property, including a relaxing porch and deck at the top of the property.
