Orion Crest

Welcome home to 1443 Devlin Road, a star studded Hollywood legacy property in the most desirable part of the West Hollywood Hills! Step into the Hollywood dream with this stunning 1960s architectural treasure, elegantly situated above the Sunset Strip and formerly home to stars like Christina Aguilera, Liza Minnelli, and Jack Haley Jr. Crafted by renowned modernist architect Harry Gesner, known for his "soaring designs that celebrate California's breathtaking landscapes," this home offers spectacular panoramic views of downtown LA, the expansive cityscape, and the Pacific Ocean. A striking geometric gate and a stylish angled-slat wood door set the tone for this home's unique character. Expansive glass walls create a seamless connection between indoor and outdoor spaces, enhancing the awe-inspiring scenery. The inviting sunken 'John Lautner inspired' conversation pit complete with a bold fireplace, serves as a stunning centerpiece in the home. The chef's kitchen combines warm woods with industrial-modern elements, creating an inviting culinary space. The primary suite features a fireplace, multiple lounging areas, and a luxurious bathroom that rivals a spa, complete with a soaking tub, glass shower, fireplace, three-sided aquarium, and a spacious walk-in closet with built-ins and a makeup station. True celebrity style living! Additional bedrooms showcase exposed beams, accent walls, and direct access to the wraparound patio. Entertain in style in the custom-designed theater room equipped with plush seating, a wet bar, a temperature-controlled wine cellar, and a tasting nook. The gym/yoga/massage room offers a marble walk-up shower, perfect for relaxation. Outside, bask in the sun on the expansive deck, take a dip in the pool, or unwind in the lagoon-style spa, featuring a built-in barbecue and fireplace. Just moments from the lively dining, shopping, and nightlife of the Sunset Strip, this residence embodies a lifestyle of unmatched luxury and iconic Hollywood allure.
