Moments above the Sunset Strip and famed Chateau Marmont is this achievement in design by noted architect, Space International. Sited at the top of Marmont in its own seclusion is a modern sanctuary of lush tropics blending desert elements in a natural preserve. A precise blend of warm woods, concrete floors and disappearing glass doors allow the interior and exterior to become at one in perfect balance. Featuring 3 bedroom suites (1 with private entrance), 3.5 baths, media room, master with stunning views, roof terrace, meditation gardens, pool and spa.
