Published on the cover of Dwell magazine for its achievement in architecture and design. Living Homes completely reimagined its RK2 model - a design conceived by the prolific SCI-Arc co-founder, Ray Kappe. Nestled in Beverly Hills, a newly renovated gated and secluded estate that stares down a verdant canyon with breathtaking views on approximately three-quarters of an acre. A smart home that personifies quintessential California indoor-outdoor living complimented by a lush and peaceful landscape. Featuring 5 bedrooms, 5 bathrooms, an infinity edge pool, cold plunge, sauna, outdoor shower and fireplace all set in complete privacy for those demanding a private retreat.
