Serene Palazzo

New construction by AMG Capital and designed by Black Lacquer. Surrounded by mature trees, you will be pleasantly stunned by the mix of this home's traditional layout, with the excitement of vintage and contemporary design! This 8,200 square foot estate family home is distinct, personal, and timeless. The finish materials and fixtures add the perfect dose of thoughtful glamour to the mix. Tailored, uncommon and artful- saturating the detailed interior architecture throughout with a delightfully satisfying color palette, show-stopping surfaces, including quartzite, marble, and onyx stone throughout, as well as gorgeous light fixtures. The 6 gracious bedrooms, including a luxurious master suite, home theater, parlor room, dual island gourmet kitchen, BBQ/lounge area, fireplace, and zero-edge pool & spa, make for an entertainer's delight. The exterior boasts beautifully landscaped grounds, featuring Pennsylvania Bluestone and brick in hardscape. No expense spared, a must-see gem.
