# Blissful Opulent

Brand new architectural tour de force from HEH, collaboratively designed with BO.SHI Architects, pairing a warm organic atmosphere with a minimal, contemporary aesthetic and delivering refined California living in a prime Sunset Strip location. Replete with sleek natural materials, the seamless indoor/outdoor floor plan features various main level entertaining rooms that flow to the home's meticulously landscaped pool pavilion, a serene oasis overlooking Downtown. The organically curated interiors feature a Miele state-of-the-art Kitchen, semi-screened family Lounge, 6-room Master Suite with a stone-clad spa bath, dual closets and two sprawling terraces. Additional features include a full-size Home Theater & Bar, 5-car enclosed garage, multi-car motor court, and elevator. Just steps from the Sunset Strip retail and dining district-yet seems a world away, this thoughtfully designed retreat sets an entirely new standard for naturally-inspired architecture amid an unbeatable urban locale.
