Oasis Eminence

With stunning city and mountains views, this newly re-imagined architectural home is the only of its kind behind the gates of the very private Mulholland Estates. With just under 9,000 square feet of living space, 5 generously sized bedrooms, office with separate entrance, elevator, and hand selected stones, no detail in the estate was overlooked. Boasting a large private grassy backyard with indoor/outdoor living spaces throughout, this home is the perfect family home as well as an entertainers dream. Views from just about every room of this warm modern masterpiece makes this a truly special property. Remodel in 2020
