New Construction, Modern Masterpiece. This spacious single-family home spares no expense, showcasing contemporary architectural design with quality craftsmanship. Situated near the Melrose district, it is walking distance to some of LA's essential dining spots, including Osteria/Pizzeria Mozza and Petit Trois, and minutes away from shopping destinations at The Grove, Melrose Avenue, and Larchmont Village. Step through the front pivot door and enter the 21st century with smart home automation by Control4, featuring security cameras, built-in surround sound system, intercom, and LED energy-efficient lighting. Experience the open floor plan with seamless indoor-outdoor transition via a Fleetwood luxury multi-slide and pocket door. Tastefully curated materials include wide plank European white oak hardwood flooring throughout, sleek and functional Italian kitchen cabinets by Miton, high-end German appliances by Miele.
