An entertainers dream in the Hollywood Hills, 7846 W. Granito Drive offers spectacular city views, abundant amenities, and a chic L.A. lifestyle. Mature trees surround the home and the inviting facade includes a tile roof and fresh white exterior. Inside, double-height ceilings soar in the entry and a Caron oak accent wall adds elegance. Oak hardwood floors glisten and a full-length travertine wall runs along the three levels. A full wall of motorized sliding glass doors open to the outside paradise, where a pool, spa, fire pit, and 103 TV with a concealed lift mechanism offer an ideal entertaining space. The kitchen includes Miele appliances, a Moroccan mosaic tile backsplash, Caron oak cabinets, and marble. Enjoy a wine cellar, entertainment room, a Lutron system that controls lights, blinds and more, security cameras, integrated speakers, and a two-car garage. With great restaurants and shopping at your fingertips, welcome to Hollywood Hills living at its best.
