Exuding opulence throughout, as you enter the 12ft wooden front door you are immersed with 2-story soaring ceilings and floor-to-ceiling windows that radiate bright, natural light in its entirety. The main level includes a family room with fireplace and large windows that open to the canyon and manicured front yard, as well as an expansive gourmet chef's kitchen with custom Italian cabinets, marble waterfall center island and top-of-the-line Miele appliances. From the kitchen, Fleetwood glass doors and windows open to the backyard creating that true indoor/outdoor California living at its finest.
