SUMMITRIDGE DR, 90210

PRIVATE ADDRESS

PRICE UPON REQUEST

Set behind a private gated drive high in the hills above Beverly Hills, this contemporary residence is designed around sweeping views of the ocean and the city skyline. Soaring ceilings, an open plan and oversized windows fill the home with natural light, and it is available furnished on a monthly or longer lease.

The great room anchors the home with dramatic volume, a fireplace and sliding glass doors that open to a spacious entertainment deck for outdoor dining, sunset evenings and quiet mornings above the canyon. The kitchen pairs sleek finishes and premium appliances with a layout that connects easily to the living and dining areas. The primary suite is a private retreat with panoramic views, a fireplace, floor-to-ceiling windows, a walk-in closet and a spa-style bath with a soaking tub.

There are four bedrooms and five full bathrooms, comfortably sleeping eight. A deck hot tub, multiple view terraces, central air and an in-home washer and dryer complete the residence, and the gated driveway parks up to five cars in addition to the garage. Stays are a minimum of 31 nights.
