Modern, immaculate architecture and grand scale converge with thoughtful design built for an unrivaled lifestyle at the Laurel Estate. Sited on a supreme Beverly Hills promontory at the cul-de-sac end of Laurel Way, the compound is a masterful construction of striking angles that summon natural light throughout over 16,000 square feet of interior space. Built with precision and quality, floor-to-ceiling glass walls frame the finest views California has to offer, with every space painstakingly designed to showcase glorious vistas from every perspective. An expansive, multi-level outdoor living area encompasses a Baja shelf infinity-edge pool, covered barbecue with outdoor kitchen and bar, fire features, an amphitheater, and a private glass-walled pool above the primary suite. Through the glass-enclosed three-story staircase and elevator is a lower level of world-class entertainment and wellness amenities: an additional theater, custom gym, spa and massage room, meditation room, juice bar and lounge, three saunas (infrared, steam, and dry), floor-to-ceiling wine cellar with tasting room, and a four-turntable garage. No detail was spared to offer an unrivaled lifestyle set against breathtaking panoramic views at this stunning hilltop retreat.
