Jade Chateau

Introducing BEVEL, the next chapter in luxury and leisure. A modern and dynamic project curated with some of the finest finishes and fixtures from around the world, along with a similarly intense focus on balance and function. The homes story is not only one of love, but an inversion from sterility. The performance this property puts on is one of passion, drama, paired with comfort and whimsy. The home is a perfect escape from disarray, all while neighboring some of the most prestigious estates in Beverly Hills. Set behind 7-foot-tall dual gates that open to reveal a roundabout that then lead you to a 10-foot steel and glass pivot door. The property then features French oak floors, gorgeous oversized kitchen, cozy dining, a 26' deck, 2 bedrooms and the owner's suite on the main floor with oversized primary closet and a bathroom with a fireplace all under a retractable ceiling. Leathered Port Laurent accents and Calacatta Viola marble stairs lead you to the property's lower level purposed for entertaining. Presenting a theater, 2 more bedrooms, and a glass-enclosed gym overlooking a 45-foot custom zero-edge infinity pool showcasing a mature Coral tree and lush private yard with an outdoor kitchen. This property by Wilshire Partners is both elegant, & sophisticated. A very rare offering.
