Modern Masterpiece with amazing views and open floor plan with large windows and glass walls to maximize the view. The pocket doors allow for seamless indoor and outdoor flow, creating a sense of spaciousness. Chef's kitchen with high-end appliances and finishes. Porcelain floors, built-in surround sound system. The walls of glass not only offer stunning views but also allow natural light to flood the interior. This truly is a masterpiece of modern architecture, combining sleek lines and contemporary design elements. Great outdoor space for entertaining with infinity pool, perfect for enjoying the breathtaking views, as well as a built-in BBQ area and fire pits for outdoor entertaining.
