Haven Spot

# Haven Spot

This Spanish Revival Masterpiece, built by the famed architect John Byers, a fully equipped compound showcasing the most exceptional materials. Nestled behind gates, an enchanting storybook adventure awaits amongst the lush and mature landscaping w/ meandering paths, koi ponds, fountains, and sparkling pool w/ waterfall. The main property features ornate fireplaces, wine cellar, wood-paneled rooms, a cigar lounge w/ bar, and three bedrooms. The master suite hosts an expansive bathroom and wrap-around veranda w/ access to the opium den, at the top of a hand-carved ladder. Amongst the grounds are two guest cottages, and two apartments w/ industrial-style finishes, encapsulating the original aviary and stained-glass windows. This sprawling compound w/ shimmering city and ocean vistas provides a rare opportunity to own a property steeped in history, moments from all that Beverly Hills has to offer.
