Tucked behind a long and stately driveway, this secluded estate rests beautifully on over an acre of breathtaking park-like grounds. This nearly 8,000-square-foot residence features a center hall plan; the home showcases its vaulted ceilings, an abundance of light and French Doors that open to the private and serene rolling lawn, swimmers pool, and natural landscaping. Upstairs the expansive master suite features dual baths and an office; there are three additional bedrooms w/baths plus two more bedrooms with a bath. The chef's kitchen with a walk-in pantry leads to a formal dining room, a breakfast room and adjacent family room. A three-car garage and private and large motor court is available for ample guest parking. Whether you redecorate, remodel or rebuild this property offers tremendous upside potential.
