Solis Pavilion

Every element of this property is a work of art, yet the home's overall ambiance is warm, livable, and inviting. Stunning light fixtures from Apparatus and Trueing grace the entry, dining room and kitchen. Gorgeous stonework can be found throughout the house, including a show-stopping Macchia Vechia marble bar, hand-carved Bardiglio Nuvolato fireplace, and Calacatta marble counters and backsplash in the kitchen. The redesign of the backyard was done with as much care as the home's interiors, including the addition of limestone paths and patios, gorgeous outdoor kitchen with hardwood trellis cover, charming outdoor fireplace with antique plinth, and lounging areas around the pool and spa. All systems have been upgraded to the absolute top-of-the-line, from a state-of-the-art security system to the home theatre and audio systems (indoor and out). With five ensuite bedrooms, gourmet chef's kitchen, theatre, private resort-style backyard, and detached pool house/home gym, this property has something for everyone.
