A fairytale surfshack has never looked so chic. Philippe Starck’s first American residence is a fantastic design story with accents of surrealism hidden right in front of your nose. Designed like a colorful fairytale, each room acts as a new and exciting chapter in this home’s narrative. While there’s a distinct style in every room, the furniture and layout prioritize comfort and deliver the classic vibe of a laid back California residence. Stay for a while, and let us take care of the rest.
