Nestled in the Malibu hills with sweeping mountain contours and panoramic views of the Pacific Ocean, Aspen Hope Ranch is one of the area's premier equestrian estates. Newly built with an organic modern design, the home blends natural materials - wood, stone, and glass - into the landscape for a seamless connection to its surroundings. The main residence features five bedrooms and six bathrooms, filled with natural light and open spaces. Living areas are refined yet comfortable, ideal for both everyday living and elegant entertaining, all set against stunning ocean and mountain backdrops. The central great room opens to expansive outdoor spaces, including a saltwater pool and spa, fire pit lounge, outdoor dining area, and a pickleball court. A separate guest house offers 2,200 square feet with one bedroom and two bathrooms perfect for extended stays or hosting guests in privacy and comfort. Set on over 2.5 flat acres, the property includes professionally designed equestrian facilities: stables, a tack room, wash bay, and office, as well as a beautifully placed riding arena surrounded by olive groves and open pastures. Aspen Hope Ranch is where natural beauty meets thoughtful design - an ideal retreat for the equestrian lifestyle.
