This stunning 11,280-square-foot home is the epitome of luxury and sophistication. With interiors designed by renowned Adam Hunter, the estate took 3.5 years to build. Every detail is custom, from the inlaid marble floors to the automated steel doors. The home features a living room adjacent to a lacquered dining room, a fluted three-story staircase, two elegant offices, and an informal family room. The gourmet kitchen is equipped with top-of-the-line appliances and finishes, making it a showpiece that would be the envy of any chef. Upstairs, you'll find a spacious primary bedroom suite with a sitting room, an editorial primary bath with book-matched Calacatta Cielo marble, and dual walk in closets. There are also three additional ensuite bedrooms. The lower entertainment floor is yacht inspired, with a onyx bar and sitting room, screening room with wrapped in custom gray leather panels and blush-colored mohair seating, additional guest suite, oversized laundry, and a wellness center including a plunge pool, sauna, massage room, and gym. The south facing sunny grounds are just as impressive as the interior, with a covered loggia, zero-edge infinity pool, 2 fire features, a pool house, and an alfresco dining pavilion. This is a rare offering that is sure to be the envy of all who see it.
