Welcome to your very own Mediterranean mountaintop retreat, behind gates in Brentwood's sought-after Mountaingate community. Wrapped with lush gardens and fruit trees, the home seamlessly blends old-world charm with modern upgrades and amenities. Enjoy canyon, city and ocean views, from the plush cabana, spa tub, various balconies and large windows across the 5,000 square foot residence. On the main level, a newly-built illuminated onyx wet bar connects the foyer with the living and dining rooms, serving as the ideal space for entertaining a large gathering, all crowned with exquisite Baccarat crystal chandeliers. A chef's kitchen with new appliances, expansive center island and abundant storage, spills out to the garden through French doors. A grand staircase leads to a hotel style primary suite complete with a sitting area, private balcony with ocean views, newly renovated spa-like bathroom with freestanding tub and large walk-in closet. Other amenities include an outdoor kitchen with grill and sink, massage room, exercise room, three-car garage, new hardwood floors, and over \$600k in recent upgrades throughout. All this, behind gates with 24/7 security and easy access to the golf club, hiking trails, 405 freeway, and the world class dining and shopping of Brentwood and Santa Monica.
