Luxurious, impeccable, exquisitely rendered Traditional home with a European soul in the heart of Beverly Hills. A superbly detailed home rich in craftsmanship and curated materials in a gated, beautifully manicured environment offering privacy, beautiful grounds, large pool, spa and guest house/gym, just a short distance to the shops and restaurants in town. Discreet from the street, the home is introduced with a stunning sky-lit entry, a focal point to the elegant stairway, formal dining room, office and step-down living room that doubles as a screening room incorporating integrated drop-down screen. Superb five en suite bedroom floor plan featuring sumptuous grand suite with office, terrace and extraordinary his and hers bathrooms, each with stunning marble showers and counter tops, sauna and custom closets. The gorgeous chef's kitchen is anchored by a giant Carrara Vena Florencia marble island, room-width banquette and is abundant with high-end appliances that integrate seamlessly with the fine cabinetry. A true gem for the most refined buyer. Shown by appointment.
