Ridge Horizon

This gorgeous mid century villa is tranquilly situated with spectacular panoramic views overlooking the city and ocean, in a celebrity filled neighborhood, minutes from LA life Arriving at the villa from a quiet cul de sac, one enters the house through an impressive Balinese doorway into a comfortable living room and dining room. Both have glass doors opening onto the salt water pool and terraced areas. Perfect for candle lit dinners overlooking the city at night. There are three bedrooms with en suite bathrooms in the main house and a separate bedroom and bathroom in the guesthouse, part of a large studio living room-ideal for staff and privacy away from the main house. All bedrooms are large with luxurious state of the art bathrooms, walk-in glass showers, large baths and beautiful tiled floors. The decor is contemporary, comfortable furniture, white walls and tasteful modern art...a sanctuary of peace in the heart of Los Angeles. The villa is well equipped for entertaining-with quality dinner ware, glasses and a gourmet open plan kitchen. There is also Satellite cable TV, wireless internet and stereo system both inside and out.
