New Construction, Designed and built by OSKLO, this ultra-private architectural compound is located behind a mature landscape of Japanese pines and manicured garden amongst Billionaires Row in the best location of the Bird streets. Set upon a near half-acre parcel with city views, a cobbled and gated driveway leads to this modern agora of 8326-sq. ft. narrated through seamless indoor/outdoor living areas and interior design of custom OSKLO furnishings second to none. Textures of quarried limestone transition to oak planning floors, block carved fireplaces and the finest custom millwork available is framed by 13-ft ceilings and plaster finish walls. An oak-paneled media room, expansive master suite of heavenly city views and bathing lounge, outdoor TV room and central living atrium expand on generously defined living spaces. An additional three guest rooms feature en suite, full slab shower scenes and private terraces with city and garden views in each. A span of 40-ft metal doors pocket to reveal an Amangiri-inspired backdrop with entertainers yard with lap pool/spa and private dining garden with citrus trees and enchanting 15-ft fireplace. OSKLO house is a generational, landmark architectural achievement among the most rare and exclusive properties in the world in Doheny Estates, and built for the most refined of tastes.
