A RESTAURANT
RICH IN HISTORY

1 | 1005 STAFFORD WAY

Nestled in the heart of Yuba City, California, El Zarape is more than just a restaurant — it's a legacy. One of the oldest family-owned and operated Mexican restaurants in the region, El Zarape has been serving up authentic flavors, cherished memories, and warm hospitality for over six decades.

Originally opened and successfully operated since March of 1952 by Jony and Eleanor Gonzales. The El Zarape Restaurant has been providing the community with the finest in Mexican cuisine using fresh ingredients and authentic family recipes for over 60 years!

Each dish at El Zarape still reflect the Gonzales' original vision — fresh ingredients, traditional recipes, and a commitment to quality that never wavers. From sizzling fajitas to handmade tamales, the flavors carry the soul of Mexico and the heart of a family who never forgot their roots.

In 2005, the restaurant entered an exciting new chapter. The current ownership renovated and redesigned the historic building — formerly a bank. The space was completely remodeled and brought up to code to support full restaurant operations while retaining touches of the building's original character. Today, the unique setting adds charm to every meal enjoyed within its walls.

El Zarape also proudly holds a Type 47 ABC license, allowing them to serve a full range of beer, wine, and liquor for guests to enjoy with their meals — whether it's a casual lunch, a family dinner, or a festive night out.

It has always been a pleasure of El Zarape to continue with their excellent quality of food and service which has made them one of the finest eating establishments in the community.
