QTY	DESCRIPTION	UNIT PRICE	LINE TOTAL
1	Install 600 gpd aerobic septic system for a 3-bedroom home. Pricing includes sch 40 purple pvc for the sprinkler system (number of sprinkles will be determined during the site evaluation). The system with be stubbed up to the home with 3" sch 40 pipe up to 20' away. All risers will be above ground for access. The system will be backfilled and covered with sand.	\$8,800	\$8,800
	Two-year warranty on the system and associated components.		
	The system includes a two-year maintenance contract		

The pricing includes the required application fee, design, and county fillings. Permit applications may take up to 10 days for approval from Wharton County.

The extra dirt from the installation will be left on site.

Sure'Nuff Septic is not responsible for installing the piping under the trailer.

Sure'Nuff Septic will provide a disconnect box for the system to be powered up.

Quote is applicable for 90 days.
