All drawings and descriptions are conceptual only and are for the convenience of reference. They should not be relied upon as representations of the final details of Gulf Stream Views, a Condominium. The developer expressly reserves the right to make modifications, revisions and changes at its discretion. Actual views may vary. Any views shown cannot be relied upon as actual views from any particular Unit within the community. The floor plans are pre-construction and do not depict existing conditions. Due to construction vagaries, variations and field changes, the configuration and quoted square footage of the Units are approximations and may vary by more than a nominal amount. There are various methods for calculating the square footage of the Units. The configurations and dimensions of the Units are to be computed post construction by a licensed surveyor who will prepare the survey/plot plan to be recorded with the Declaration of Condominium.
