

UTILITY COSTS			THE ELECTRIC AND SOLAR COSTS ARE FOR HEATING AND COOLING ALSO! THERE IS NO HOME HEATING OIL BILL, NO NATURAL GAS BILL.
---------------	--	--	--

Solar	Spruce	\$171.69 per month	Flat fee per month, until 2033
Electric (Which also assists the heating and cooling - geothermal)	United Illuminating	\$448 average of 12 months	This is the average of 12 months of 2024. We are a family of 5 with 2 additional relatives that stay regularly. One works from the house. Very active household. Summer months can be as low as \$75-\$100. The highest month in winter was \$1100. We keep the hot tub running year round.
Water	Aquarion	\$67 average of 12 months	
Propane	Rural Fuels	\$212 for the year	Lights grill, stove, fireplace. We get an annual storage tank fee of \$69. It was filled in January for \$143
Waste Removal	Big Little Sanitation	\$52 per month	Flat fee per month
