

Experience unparalleled luxury and privacy on Garden Lake, part of the sought-after Lake Namekagon. This remarkable property is designed with the highest-quality craftsmanship and attention to detail. The main level features stunning hickory skip-sawn flooring, complemented by true knotty alder cabinets and millwork, including 5" baseboards, interior transom windows, and Emtek black hardware for cabinets and doors. Granite countertops are featured throughout the entire home, adding elegance to every room.

Interior details include vintage circle-sawn pine planking for both the interior beams and garage, as well as beautifully smooth knotty pine nickel gap ceilings, measuring 6" and 8", throughout the upper and lower levels. The home's six large closets come equipped with custom organizers, providing ample storage and a seamless aesthetic.

The gourmet kitchen is outfitted with premium Sub-Zero and Wolf appliances, including a chef-grade gas cooktop, perfect for entertaining and culinary enthusiasts alike. A spacious butler's kitchen complements the main kitchen, offering additional prep space and storage. The adjacent butler's pantry enhances functionality, adding to the home's thoughtful design for large gatherings and entertaining.

The entire lower level, tiled bathrooms, and custom garage benefit from in-floor heating, powered by a wall-mounted boiler with 80-gallon hot water storage. The home is equipped with both central forced air heating and cooling for year-round comfort. A full bar is located in the basement, creating the perfect spot to entertain guests in style.

Inside, the home boasts three large gas fireplaces with wrought iron firebox face plates, adding warmth and charm throughout. The centerpiece of the great room is the "Tamarack Mountain" firebox with a custom mantel, creating a cozy and sophisticated gathering space. A custom bunk room above the garage is the perfect retreat for the kids, complete with a separate bedroom for the chaperones. Crafted from circle-sawn pine timbers, this space comfortably sleeps seven or more children, along with a full bath and tile shower for added convenience.

For your road toys, the oversized, heated, and finished 3-car garage is ideal for storing vehicles in style. The home's custom front door, made from mixed hardwoods with two side windows, makes an impressive statement upon arrival.

Outside, the meticulously landscaped grounds span over two acres and feature expertly placed boulders, designed and installed by a premier landscaping company from the Twin Cities. A state-of-the-art sprinkler system with automatic timers ensures the lush surroundings are easy to maintain. Power and water are conveniently available at the dock for added convenience.

A massive 50'x72' storage building with a 32'x12' lean-to provides exceptional space for all your needs. The 20'x50' heated wash bay, complete with a half bath, is ideal for maintaining vehicles and equipment year-round. The building includes an 80-gallon water heater. Additionally, the 52'x50' cold storage area comes with a 12'x52' mezzanine for extra storage, ensuring you'll never run out of space.

The property itself is a true gem, offering unmatched seclusion with over 200 feet of pristine, sandy beachfront—completely weed-free. A custom cedar-tone staircase leads to a private landing, nestled among towering White Pines, Hemlocks, Birches, and Maples. This is your chance to own a one-of-a-kind sanctuary, where luxury and nature come together. Amenities abound, making this an extraordinary opportunity you won't want to miss!
