Westchester CA Team Challenge

By Amy Nelson Frelinger

WCTC 2 – Save the Date – 8/6/2022!

Ready for a summer morning filled with fun and games? When was the last time you played bocci ball? Have you competed in a three-legged race lately? You in?

On Saturday morning, August 6th, 2022, we want to invite you to join us! Westchester locals, Grant Francis and Amy Nelson Frelinger, are producing the *Second Annual Westchester CA Team Challenge (WCTC)*. Conceived in the style of a good, old-fashioned day of community fun and team building, the goal is to share some delightful moments, create a reason to gather and move ourselves physically and emotionally.

Like other Team Challenges, challenges can be fun AND can raise awareness for good causes! Think of some of the crazy social media challenges you have witnessed across the past decade: the ALS Ice Bucket Challenge, Planking, Gangnam style dance breaks, the Harlem Shake, and Flash Mobs.

Along with the fun, Grant and I want to raise awareness of the Westchester Streetscape Improvement Association (WSIA). This hardworking non-profit organization has improved and continues to beautify the major thoroughfares of our community. For all the millions of annual passengers who drive to LAX, WSIA helps them to see handsome boulevards as they

travel into and out of our Westchester gateway neighborhood. We have chosen WSIA as the beneficiary for all the net proceeds from our WCTC event. You can visit their website at www.westchesterstreetscape.org for more information.

As for the games, each team will be competing in 5 games: bocce ball, football toss, corn hole, three-legged races and hold-the-rope.

There are 3 ways you can get involved:

1. Gather 10 of your family/friends/neighbors and compile a **team** to compete,
2. Become a **sponsor** of this event to promote yourself and/or your business, or
3. **Support** this cause while promoting yourself and/or your business.

Please visit our website for photos from our previous event and details about our upcoming 2022 WCTC at : www.westchestercateamchallenge.com.

We hope you will join us! ♦
