

An architectural rendering of a modern, multi-story apartment building. The building features a light-colored facade and several balconies with white metal railings. Each balcony is planted with greenery, including small trees and shrubs. The building is set against a blue sky with light clouds. A dark blue rectangular box with a thin yellow border is centered over the middle of the building, containing the text 'Sousa Martins 17'. To the right, a portion of another building with a grey facade and dark windows is visible. A yellow rectangular bar is located in the top right corner of the image.
