Improvements and features

129 Alfalfa Dr, Liberty Hill, TX 78642

Selected with the builder

The owner chose these finishes with the builder when the home was built.

- **Floors:** Beautiful laminate flooring runs throughout the entire home, with no carpet anywhere.
- **Countertops:** Elegant quartz countertops elevate the kitchen.
- **Sink:** A classic farmhouse sink anchors the kitchen.
- **Backsplash:** A custom backsplash adds a designer finish to the kitchen.

Improvements made after purchase

The owner added everything below after buying the home from the builder.

- **Entertainment wall:** A fully custom wall brings the TV, fireplace, cabinets and shelves together as one showpiece.
- **Lighting:** A stunning chandelier makes a statement in the living room, joined by a modern light fixture in the office and two custom sconces in the primary bedroom.
- **Custom tile:** The owner added custom tile throughout the primary bathroom, walk-in closet and laundry room.
- **Paint:** The office and a bedroom are color drenched and finished with wall accents for a rich, tailored look.
- **Automatic shades:** The owner installed automatic shades in the living room, upstairs living room, dining room, office and primary bedroom.
- **Window treatments:** Matching brass curtain rods and floor to ceiling drapes add height and elegance.
- **Security:** Google Home cameras watch the front and back doors, and Blink cameras with a flood light cover the garage.
- **Back door:** The owner added privacy film to the back door.
- **Landscaping:** The owner transformed the flower beds into beds of rock and stone.

Recent maintenance

- Schneider Mechanical checked the water heater in summer 2026.
- The HVAC air filter was replaced in summer 2026.
