

A floor plan showing two main rooms: a Garage on the left and a Utility room on the right. The Garage is 21'5" x 25'2" and the Utility room is 22'4" x 25'2". A central vertical wall separates the two rooms. The Utility room contains a staircase with an upward arrow. The plan is enclosed by a thick black border with small white rectangular features at the top and bottom edges. Arrows on the walls indicate openings or doors.
