# FAQs: Residences Owner Elite Referral Program & ONVIA

## Are there any privileges or discounts for Residence Owners at Marriott International hotels?

Yes, ownership includes the opportunity to participate in the ONVIA Hotel Reservation Service, which enables Owners to enjoy a portfolio of luxury hotels around the world regardless of your brand of residence. If you've purchased a home in Marriott International's luxury portfolio, you will also become eligible for a Platinum Elite upgrade as an added benefit. One Platinum Elite Status upgrade<sup>1</sup> will be offered per Residence Unit valid through 2029.

## I am not currently a Marriott Bonvoy member. How do I get started?

Once you have paid your non-refundable deposit and passed the recission period, you may provide consent for a designated member of Marriott International's Residences team to create a new account for you, or you may enroll at [marriott.com/loyalty.mi](https://marriott.com/loyalty.mi) and provide the team your newly created member number once confirmed. If your property has not yet opened, a member of our Owner Recognition Team ([ownerrecognition@marriott.com](mailto:ownerrecognition@marriott.com)) will inform you once your upgrade is official. If your property is currently open and operating, your Director of Residences will notify you about the upgrade.
