## BEACH CLUB REIMAGINED

*Something New Under the Sun*

In December 2024, The Boca Raton will reveal a coastal destination that removes the barrier between inside and out, bringing the essence of our private golden beach into every moment of your day in a celebration of eternal summer.

The new Beach Club's serene, modern design will emphasize natural materials, open spaces, and abundant sunlight,

inspired by the unscripted lifestyle of our beachfront oasis. All-new indoor and outdoor dining concepts will tempt the palate with revolving menus. Our Beachside experiences will be significantly expanded, with curated new amenities on the beach, upgraded pools, a state-of-the-art Fitness Club, an event lawn, and refreshed social and arrival spaces.
