WHEREAS Falcon Seaboard Diversified, Inc. ("Developer"), a Texas corporation, previously owned and subdivided a certain tract of real property described as follows, to wit:

A 497.88-acre tract of land, with no common areas, situated in Gillespie County, Texas, and being first described in Exhibit A attached thereto and made part hereof for all purposes (the "Property"); and

WHEREAS, on or about March 14, 1997, for the purpose of protecting the value and desirability of the Property, Developer filed a Declaration of Covenants, Conditions, and Restrictions (CC&R), for Bear Creek Ranchettes (the "Original Declaration") in Volume 322, Papas 954-961, Deed Records of Gillespie County; and

WHEREAS, on or about June 19, 2000, the First Amendment pursuant to the terms of the Original Declaration, the rights and responsibilities of Falcon Seaboard Diversified, Inc., including the right to amend the Original Declaration's Covenants, Conditions, and Restrictions were acquired by the Owners; and

WHEREAS, on or about November 8, 2001, the Second Amendment to the Original Declaration in Volume 439, page 509 Real Estate Records of Gillespie County was filed to delete and replace sections 2 & 8 of the Original CC&R; and

**Article II.**  
**Covenants, Conditions, and Restrictions**

- 2.1 This instrument shall be entitled "DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR BEAR CREEK RANCHETTES (2020)," and may be hereinafter referred to as the "2020 Declaration."
- 2.2 This 2020 Declaration supersedes and replaces entirely the Original Declaration and all previous amendments to it, all of which are hereby revoked.
- 2.3 All of the Property shall be owned, held, sold, transferred, and conveyed subject to all of the covenants, conditions, and restrictions set forth herein which are for the purpose of protecting the value and desirability of the Property, and for promoting the peaceful enjoyment of the same by the Owners. These covenants, conditions, and restrictions shall run with said Property.
- 2.4 Tracts shall be used solely for residential purposes and/or limited commercial purposes, as specified herein.

- 2.6 No more than one Primary Residence Dwelling and one Secondary Residence Dwelling shall be constructed on a Tract.
- 2.7 The construction of a Primary Residence Dwelling shall be completed before, or contemporaneous with, the completion of any Secondary Residence Dwelling or Outbuildings, with the exception that a barn, with or without incorporated living quarters, or carport/recreational vehicle cover built of new materials may be constructed prior to the completion of the Primary Residence Dwelling. The exterior of any building shall be completed not later than twelve (12) months after laying the foundation of that respective building.
- 2.8 A Dwelling shall not be occupied until the exterior thereof is completely finished and plumbing is connected to a septic system or other water disposal system which has been approved by the Gillespie County and/or State of Texas Health Department or other governing body controlling wells and septic systems.

- 2.10 No Structure may be constructed and erected nearer than thirty (30) feet ("Setback Line") to any property line, except walls and/or fences to denote the property boundary.

2.11 During the construction of a Primary Residential Dwelling, a Tract owner may camp in a recreational vehicle on his Tract for a period of time not to exceed twelve (12) months from the first day of use. Prior to the construction of a Dwelling, a Tract owner shall be permitted to camp on his Tract overnight in either a recreational vehicle or a tent for a continuous period not to exceed ten (10) days, nor more than forty (40) days total in any calendar year, provided that the Tract owner is present during that time. The campsite shall not be closer than one hundred (100) feet to any property line.

2.12 No tract shall be used for any commercial purpose except permanent agricultural crops, including vineyards, fruit trees, pecan groves, permanent grass (i.e., hay meadows or grazing pastures) and a Secondary Residence Dwelling used as a Bed and Breakfast for short term rental (less than 30 days). 2.15 Abandoned or inoperative equipment, vehicles or junk shall not be permitted on any Tract. Owners shall keep Tracts free of litter at all times. No garbage, refuse, or any hazardous materials, as defined in any law of the State of Texas or United States of America, shall be buried or burned on any Tract. There shall be no commercial livestock feeding operation nor any commercial breeding of animals or fowl on any Tract. Animals used for grazing said Tracts while simultaneously raising young (e.g. cow/calf operation) shall not be considered commercial breeding of animals.

2.17 All permanent fences erected on any Tract shall be of new material and erected in accordance with professional fence-building standards regarding quality and appearance.

2.18 Mineral exploration of any type shall not be permitted on any Tract.

2.19 No Tract shall be leased or subleased for hunting purposes. Hunting on any Tract shall be limited to said Tract Owner, members of Tract Owner's immediate family and non-paying guests. All shooters must be accompanied and actively supervised by the Tract Owner. Firearms and other weapons may be used for recreational or other lawful purposes (e.g, target practice) only if done (i) in a safe manner, (ii) at reasonable times and frequency, and (iii) in such a way as to not cause an unreasonable disturbance to other Members of BCLA. Under no circumstances shall any Tract Owner allow firearms to be used by any person who is under the influence of alcohol or other intoxicating or hallucinatory drug or substance. No weapon shall be discharged in such a manner by which the projectile from such discharge enters the property of another, directly or by ricochet. If any Tract Owner

reasonably believes another Tract Owner is in violation of this paragraph, such Tract Owner shall refer the matter, with details, to the BCLA Board and/or appropriate law enforcement authority, for resolution.

- 2.20 BCLA reserves an easement for utility purposes twenty (20) feet wide on each side of Tract lines and along the entire perimeter (boundary) of said Tracts for the installation and maintenance of electric, telephone, and utility lines and easements for anchor/guy combinations wherever necessary, and reserves the right to trim trees which at any time interfere or threaten to interfere with the maintenance of such lines, with the right of ingress to and egress from and across said Tract to employees of utilities owning said lines.
- 2.21 Dwellings, Outbuildings or Structures, constructed prior to the adoption of this Fourth Amendment, that do not comply with these Covenants, Conditions, and Restrictions shall be permitted to remain; however, no such non-complying Dwelling, Outbuilding or Structure may be enlarged, or replaced with any other Dwelling, Outbuilding or Structure.

**Article III.**  
**Bear Creek Landowners Association**

- 3.1 The power to enforce the covenants, conditions, and restrictions of this 2020 Declaration, and to manage the common areas of Bear Creek Ranchettes, is hereby vested in BCLA.
- 3.2 BCLA management shall be in accordance with the provisions of this 2020 Declaration, its Articles of Incorporation, and its Bylaws, subject to the terms set forth in this 2020 Declaration and all applicable laws, regulations and ordinances of any governmental or quasi-governmental body or agency having jurisdiction over the Property or BCLA, as such may be amended from time to time.
- 3.3 Any Owner of a Tract shall automatically be a Member of BCLA, and shall remain a Member thereof in accordance with the Articles and the Bylaws until such time as their ownership of said Tract ceases for any reason, at which time membership in BCLA shall automatically cease.
- 3.4 Membership in BCLA shall not be transferred, pledged or alienated in any way, except upon the transfer of ownership of the Tract to which it is appurtenant, and then only to the new Owner. Any attempt to make a prohibited transfer is void.
- 3.5 BCLA shall have one class of voting membership, and Owners shall be entitled to one vote for each Tract owned. When more than one person holds an ownership interest in any Tract, all such persons shall be Members, but the one vote for such Tract may only be cast by those Members collectively and unanimously. In no event shall more than one vote be allotted to any Tract.
- 3.6 A Board of Directors elected by the Members shall manage the affairs of the BCLA and shall conduct regular and special meetings according to the provisions of the Bylaws.

- 3.7 Each Owner, upon request, shall have the right to require BCLA to make available or give obtainable direction to such Owner, for inspection during normal business hours or under other reasonable circumstances, any then current version of this Declaration, including any amendments thereto, the Articles of Incorporation, the Bylaws, and the books, records, and financial statements of BCLA.
- 3.8 An Owner of any Tract, by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed, as a part of the purchase money consideration for such deed and conveyance, to covenant and agree to pay to BCLA: (1) annual assessments or charges, and (2) special assessments for - capital improvements or extraordinary expenses, such assessments to be established and collected as provided in the Bylaws. No owner of a Tract may exempt themselves from liability for his/her contribution toward the common expenses by waiver of the use or enjoyment of any common areas, or by the abandonment of his/her Tract.
- 3.9 All assessments levied by BCLA shall be used exclusively to promote the health, safety and welfare of all the Members, preserving or enforcing the rights and obligations of the Owners and BCLA, or for the improvement, maintenance and operation of any common areas, if any. Annual assessments shall include an adequate résérve fund for maintenance, repairs and replacement of any common areas, if any.
- 3.10 The annual assessment for all Tracts shall be determined by the Board of Directors in the manner provided for herein after the determination of current maintenance costs and the anticipated needs of BCLA during the year for which the assessment is being made. The maximum annual maintenance assessment may be adjusted by the majority vote of the Board of Directors but shall not be increased by more than fifteen percent (15%) above that of the previous year without a vote of the membership. Any increase in the maximum annual assessment of more than fifteen percent (15%) shall require a vote approval of two-thirds (2/3) vote or written consent of Members who are voting in person or by proxy at a Special meeting duly called for that purpose.
- 3.11 In addition to annual assessments, BCLA may levy in any assessment year, a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of any common areas, or to finance or defray the cost of any extraordinary expense of BCLA, provided that any such assessment shall have the assent of three-fourths (3/4) vote (a supermajority) approval of Tract Owners who are voting in person or by proxy at a Special meeting duly called for that purpose, written notice of which shall be sent to all Owners at least ten days in advance and shall set forth the purpose of the meeting.
- 3.12 The quorum for actions authorized under sections 10 and 11 (above), shall be as follows: At the first meeting called, as provided in sections 10 and 11 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty (60) percent of all votes of the tract owners, shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 10 and 11, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that such reduced

quorum requirement shall not be applicable to any such subsequent meeting held more than sixty (60) days following the preceding meeting.

- 3.13 The annual assessment provided for herein shall commence against each Tract on a date as determined by the Board of Directors. Assessments for each year shall become due and payable and shall be collected annually. The due date of any special assessment under Section 3.11 shall be fixed in the resolution authorizing such assessment.
- 3.14 By November of each year, the Board of Directors shall fix the amount of the annual assessment against each Tract for the following year and shall, at that time, prepare a roster of the Tracts and assessments applicable thereto, which shall be kept in the office of BCLA and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner.
- 3.15 If any assessment is not paid on January 1 when due, or 60 days thereafter, then such assessment shall become delinquent and together with interest thereon and costs of collection thereof, shall become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. All past due and unpaid assessments shall bear interest at the rate of eighteen percent per annum from the date due until the date paid. BCLA shall be entitled to record a Notice of Lien or notice of unpaid assessments in the real property records for any assessment remaining unpaid more than 60 days after the due date thereof. BCLA shall be entitled to collect from the delinquent Owner the costs of BCLA for the collection of any past due assessments or charges, including a reasonable fee for the preparation, recordation or release of any notice, and reasonable attorney's fees incurred in the collection of the account if the assessment is not paid within one hundred and twenty (120) days. After the due date, BCLA may bring an action at law against the Owner to pay the same or to foreclose the lien against the Tract. There shall be added to the amount of such assessment all reasonable expenses of collection including reasonable attorney's fees and costs of suit.
- 3.16 The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Tracts subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale or transfer of such Tract pursuant to a decree of foreclosure, or a conveyance expressly made in lieu of foreclosure. Such sale or transfer shall not relieve such Tract from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment nor shall this subordination relieve any purchaser of a Tract which has not been the subject of foreclosure or conveyance in lieu of foreclosure from liability for assessments arising prior to acceptance of a deed to such Tract.

**Article IV.**  
**Amendment Procedure**

- 4.1 A proposed written amendment to one or more of the CC&Rs shall be attached to a petition signed by at least ten Members representing ownership interests in at least ten Tracts and delivered to the BCLA Secretary.
- 4.2 The Secretary shall certify the submittal and place the proposed amendment(s) on a ballot for a vote of the membership within thirty days of certification.
- 4.3 Each Tract shall be entitled to only one ballot and only one vote, regardless of the number of its owners.
- 4.4 The BCLA Board shall determine the form and means of distributing and receiving ballots to and from members, whether by mail, digitally, or in person, so long as every member is given actual or constructive notice of the ballot.
- 4.5 In any event, the mailing of a written ballot via certified mail, with return receipt requested, to the owner's(s') name(s) and mailing address(es) reflected in the Gillespie County Appraisal District records shall be deemed sufficient constructive notice.
- 4.6 Ballot instructions shall state the date and time by which a ballot must be received by the BCLA Secretary in order to be counted. This deadline date shall be at least 30 days after the date balloting is opened, or if ballots shall be mailed, then at least 30 days after the postmark date of the last such mailing.
- 4.7 The proposed amendment(s) shall be adopted if at least 65% of votes indicate adoption.
- 4.8 The BCLA Secretary shall file all adopted amendments in the Official Public Records of Gillespie County within ten business days following adoption.
- 4.9 The Secretary shall notify members of the results of the vote and shall deliver a copy of any filed document to members via regular mail and/or email.

These covenants, conditions, and restrictions shall be binding upon and inure to the benefit of all Tract Owners.
