- Suitable for **horse property, family compound, recreation, investment, or full-time residence**

Property Taxes:

\$6,275.07 w/exemptions

\$50,069.29 w/o exemptions

Welcome to Eureka Farm!

Set along approximately **1,700 feet of the Pedernales River**, Eureka Farm offers a rare opportunity to own unrestricted riverfront acreage in one of the most desirable areas of Gillespie County. Accessed by Eureka Ln, a privately owned road, the property offers an added sense of privacy as level pastureland stretches toward the water and mature trees line the riverbanks, creating a shaded corridor rich with wildlife and Hill Country beauty. Located just minutes from Fredericksburg and the renowned wineries and vineyards along the Texas Highway 290 Wine Trail, the property blends scenic Hill Country beauty with exceptional usability and long-term investment potential.

At the center of the ranch is a distinctive **3,544± sq. ft. main home**, blending an original German homestead with thoughtful additions that expand the living space while preserving the property's character. The home offers a warm, established feel with multiple living areas, inviting outdoor spaces, and views over the surrounding grounds. A **1,512± sq. ft. guest house** adds flexibility for extended family, ranch help, or additional accommodations, making the property well suited for multigenerational use or a family compound setup.

Designed with both lifestyle and utility in mind, the ranch includes extensive improvements that support equestrian, agricultural, and storage needs. A well-equipped six-stall horse barn complete with a wash rack, tack room and individual turnouts, along with pipe fencing, barns, sheds, RV storage, and open pasture well suited for horses, livestock or general ranch use. A strong well further enhances the property's long-term utility. Whether envisioned as a private riverfront homestead, horse property, recreational retreat, or legacy investment, Eureka Farm stands out for its combination of water, usability, improvements, and location.

Schedule a private showing to explore the possibilities this unique Pedernales River ranch has to offer.

Instructions: Listing agent to accompany

Public Remarks: Set along approximately 1,700 feet of the Pedernales River, Eureka Farm presents a rare opportunity to own 39± acre unrestricted riverfront land in the heart of Gillespie County. Accessed by Eureka Lane, a privately owned road, the property offers an a sense of privacy as level pastureland stretches toward the water and mature trees line the riverbanks, creating a shaded corridor rich wildlife and classic Hill Country beauty. Just minutes from Fredericksburg and the renowned wineries along the Texas Highway 290 W Trail, the ranch balances peaceful seclusion with convenient access to one of the region's most sought-after destinations. At the center the property sits a 3,544± sq. ft. residence, thoughtfully expanded from an original German homestead, blending historic character with generous living spaces and inviting outdoor areas overlooking the surrounding landscape. A 1,512± sq. ft. guest house provides comfortable accommodations for extended family, guests, or ranch staff. Designed with both lifestyle and function in mind, the ranch includes a well equipped six-stall horse barn complete with a wash rack, tack room and individual turnouts, along with pipe fencing and open pasture suited for horses or livestock. Additional improvements include a hay barn/workshop, loafing sheds, and a stock trailer/RV barn. A stone water well further enhances the property's long-term utility. Whether envisioned as a private riverfront estate, equestrian retreat, or like Hill Country holding, Eureka Farm offers a rare combination of water, acreage, improvements, and location along the Pedernales River.

SITE EVALUATION FORM

Owner's Name: M. CLAREC GROSSMAN Date: 8/31/23
 Site Evaluator: Heath Turner TCEQ OSSF SE #: OS0030263

- ◆ At Least two soil evaluations must be performed on the site, at opposite ends of the disposal area. Show the results of each on a separate table. Locations of each must be shown on the site drawing
- ◆ Subsurface disposal, soil evaluations must be performed to a depth of 2 ft below the proposed excavation depth. For surface disposal, the surface horizon must be evaluated.
- ◆ Describe each soil horizon and identify any restrictive features in the space below. Draw line at the appropriate depths.

Soil Boring # 1					
Depth (ft)	Textural Class	Structure	Drainage Mottles/Water Table	Restrictive Horizon	Comments

- Construction Notes:**
1. It is the installer's responsibility to review the design criteria for construction.
 2. If discrepancies exist between design and actual site conditions, installer shall notify designer and permitting authority prior to construction.
 3. Installer shall be responsible to comply with TCEQ and local codes for proper OSSF installation.
 4. The owner or contractor is to be responsible for identifying all property lines, easements and other related improvements either actual or proposed and verify that the septic system installation does not violate any regulation or law. **Water lines shall be a minimum of 10' and wells a minimum of 100' from any OSSF drain-field.**
 5. All roof and surface drainage shall be diverted from drain-field by gutter, berms, swales, etc.
 6. It is required that water conserving methods be used with this system, including low flush toilets (1.6 gallons per flush), pressure reducing faucets aerators and showerheads to reduce overloading the drain-field.
 7. Should seepage or other underground water be found, stop all construction and notify the design engineer and/or the permitting authority.
 8. Installer shall notify all utility and pipeline companies with facilities adjacent to or in the vicinity of the proposed construction and have each facility located prior to construction.
 9. It is the installer's responsibility to verify the depth and location of all existing utilities during construction and shall protect the same utilities from damage.
 10. Installer is responsible for adjusting all risers, clean-outs, and any other surface utility feature to the final finish grade.
 11. Final grade of drain-field is to be slightly mounded to facilitate rainwater drainage.
 12. Final grade shall be covered with vegetation fully capable of taking maximum advantage of transpiration.
 13. Grasses with dormant periods shall be over seeded to provide year round transpiration.
 14. Liquid input into this system shall not exceed **240** gallons per day.
- Note:** This design in no way constitutes a warranty, extension of warranty, and/or guarantee of system operation or function. Owner is ultimately responsible for the system upkeep (retaining maintenance, reporting problems, monitoring flow, etc.). While the designer has made diligent effort to preserve vegetation and the landscape, the designer is not responsible for any losses (trees, landscaping, etc.) due to installation, operation, and/or system failure.

I. General: This Work for Hire Agreement (hereinafter referred to as "Agreement") is entered into by and between MICHAEL GROSSMAN (hereinafter referred to as "Customer") and Block Creek Aerobic Services, LLC. By this agreement, Block Creek Aerobic Services, LLC and its employees (hereinafter inclusively referred to as "Contractor") agree to render services at the site address stated above, as described herein, and the Customer agrees to fulfill his/her/their responsibilities, as described herein.

II. Effective Date:

This Agreement commences on 10/2/23 and ends on 10/2/25 for a total of two (2) years (initial agreement) or one (1) year (hereafter). If this is an initial agreement (new installation), the Customer shall notify the Contractor within two (2) business days of the system's first use to establish the date of commencement. If no notification is received by Contractor within ninety (90) days after completion of installation or where county authority mandates, the date of commencement will be the date the "License to operate" (Notice of Approval) was issued by the permitting authority. This agreement may or may not commence at the same time as any warranty period of installed equipment, but in no case shall it extend the specified warranty.

III. Termination of Agreement:

This Agreement may be terminated by either party for any reason, including for example, substantial failure of either party to perform in accordance with the terms of this Agreement, without fault or liability of the terminating party. The terminating party must provide written notice to the non-terminating party thirty (30) days prior to the termination of this Agreement. If this Agreement is terminated, Contractor will be paid at the rate of \$75.00 per hour for any work performed and for which compensation has not been received. After the deduction of all outstanding charges, any remaining monies from prepayment for services will be refunded to customer within thirty (30) days of termination of this Agreement. Either party terminating this Agreement for any reason, including non-renewal, shall notify in writing the equipment manufacturer and the appropriate regulatory agency a minimum of thirty (30) days prior to the date of such termination. Nonpayment of any kind shall be considered breach of contract and a termination of contract.

IV. Services:

Contractor will:

- Inspect and perform routine upkeep on the On-Site Sewage Facility (hereinafter referred to as OSSF) as recommended by the treatment system manufacturer, and required by state and/or local regulation, for a total of three visits to site per year. The list of items checked at each visit shall be the: control panel, Electrical circuits, timer, Aeration including compressor and diffusers, CFM/PSI measured, lids safety pans, pump, compressor, sludge levels, and anything else required as per the manufacturer.
- Provide a written record of visits to the site by means of an inspection tag attached to or contained in the control panel.
- Repair or replace, if Contractor has the necessary materials at site, any component of the OSSF found to be failing or inoperative during the course of a routine monitoring visit. If such services are not covered by warranty, and the service(s) cost less than \$100.00, Customer hereby authorizes Contractor to perform the service(s) and bill Customer for said service(s). When service costs are greater than \$100.00, or if contractor does not have the necessary supplies at the site, Contractor will notify Customer of the required service(s) and the associated cost(s). Customer must notify Contractor of arrangements to affect repair of system within two (2) business days after said notification.
- Provide sample collection and laboratory testing of TSS and BOD on a yearly basis (commercial systems only).
- Forward copies of this Agreement and all reports to the regulatory agency and the Customer.
- Visit site in response to Customer's request for unscheduled services within forty-eight (48) hours of the date of notification (weekends and holidays excluded) of said request. Unless otherwise covered by warranty, costs for such unscheduled responses will be billed to Customer.

V. Disinfection:

Customer's Initials

RC

Contractor's Initials

____ Not required; X required. The responsibility to maintain the disinfection device(s) and provide any necessary chemicals is that of the Customer.

VI. Electronic Monitoring:

Electronic Monitoring is not included in this Agreement.

VII. Performance of Agreement:

Commencement of performance by Contractor under this Agreement is contingent on the following conditions:

a. If this is an initial Agreement (new installation):

1. Contractor's receipt of a fully executed original copy or facsimile of this agreement and all documentation requested by Contractor.

If the above conditions are not met, Contractor is not obligated to perform any portion of this Agreement.

VIII. Customer's Responsibilities:

The customer is responsible for each and all of the following:

a. Provide all necessary yard or lawn maintenance and removal of all obstacles, including but not limited to dogs and other animals, vehicles, trees, brush, trash, or debris, as needed to allow the OSSF to function properly, and to allow Contractor safe and easy access to all parts of the OSSF.

b. Protect equipment from physical damage including but not limited to that damage caused by insects.

c. Maintain a current license to operate, and abide by the conditions and limitations of that license, and all requirements for and OSSF from the State and/or local regulatory agency, whichever requirements are more stringent, as well as the proprietary system's manufacturer recommendations.

d. Notify Contractor immediately of any and all alarms, and/or any and all problems with, including failure of, the OSSF.

e. Provide, upon request by Contractor, water usage records for the OSSF so that the Contractor can perform a proper evaluation of the performance of the OSSF.

f. Allow for samples at both the inlet and outlet of the OSSF to be obtained by Contractor for the purpose of evaluating the OSSF's performance. If these samples are taken to a laboratory for testing, with the exception of the service provided under Section IV (d) above, Customer agrees to pay Contractor for the sample collection and transportation, portal to portal, at a rate of \$35.00 per hour, plus the associated fees for laboratory testing.

g. Prevent the backwash or flushing of water treatment or conditioning equipment from entering the OSSF.

h. Prevent the condensation from air conditioning or refrigeration units, or the drains of icemakers, from hydraulically overloading the aerobic treatment units. Drain lines may discharge into the surface application pump tank if approved by system designer.

i. Provide for pumping and cleaning of tanks and treatment units, when and as recommended by Contractor, at Customer's expense.

j. Maintain site drainage to prevent adverse effects on the OSSF.

k. Pay promptly and fully, all Contractor's fees, bills, or invoices as described herein.

IX. Access by Contractor:

Contractor is hereby granted an easement to the OSSF for the purpose of performing services described herein. Contractor may enter the property during Contractor's normal business hours and/or other reasonable hours without prior notice to Customer to perform the Services and/or repairs described herein. Contractor shall have access to the OSSF electrical and physical components. Tanks and treatment units shall be accessible by means of man ways, or risers and removable covers, for the purpose of evaluation as required by State and/or local rules and the proprietary system manufacturer. It is Customers responsibility to keep lids exposed and accessible at all times.

X. Limit of Liability:

Contractor shall not be held liable for any incidental, consequential, or special damages, or for economic loss due to expense, or for loss of profits or income, or loss of use to Customer, whether in contract tort or any other theory. In no event shall Contractor be liable in an amount exceeding the total Fee for Services amount paid by Customer under this Agreement.

XI. Indemnification:

Customer (whether one or more) shall and does hereby agree to indemnify, hold harmless and defend Contractor and each of its successors, assigns, heirs, legal representatives, devisees, employees, agents and/or counsel (collectively "Indemnitees") from and against any and all liabilities, claims, damages, losses, liens, causes of action, suits, fines, judgments and other expenses (including, but not limited to, attorneys' fees and expenses and costs of investigation), of any kind, nature or description, (hereinafter collectively referred to as "Liabilities") arising out of, caused by, or resulting, in whole or in part, from this Agreement.

Customer's Initials

RC

Contractor's Initials

THIS INDEMNIFICATION APPLIES EVEN IF SUCH LIABILITIES ARE CAUSED BY THE CONCURRENT OR CONTRIBUTORY NEGLIGENCE OR BY THE STRICT LIABILITY OF ANY INDEMNITEE.

Customer hereby waives its right of recourse as to any Indemnitee when Indemnification applies, and Customer shall require its insurer(s) to waive its/their right of subrogation to the extent such action is required to render such waiver of subrogation effective. Customer shall be subrogated to Indemnities with respect to all rights Indemnities may have against third parties with respect to matters as to which Customer provides indemnity and/or defense to Indemnities. No Indemnification is provided to Indemnities when the liability or loss results from (1) the sole responsibility of such Indemnitee; or, (2) the willful misconduct of such Indemnitee. Upon irrevocable acceptance of this Indemnification obligation, Customer, in its sole discretion, shall select and pay counsel to defend Indemnities of and from any action that is subject to this Indemnification provision. Indemnities hereby covenant not to compromise or settle any claim or cause of action for which Customer has provided Indemnification without the consent of Customer.

XII. Severability:

If any provision of the "Proposal and Contract" shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of the "Agreement" is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

XIII. Fee for Services:

The Fee for Services does not include any fees for equipment, material, labor necessary for non-warranty repairs, unscheduled inspections, or Customer requested visits to the site.

XIV. Payment:

Full payment is due upon execution of this Agreement (Required of new Customer). For any other service(s) or repair(s) provided by Contractor the Customer shall pay the invoice(s) for said service(s) or repair(s) within thirty (30) days of the invoice date. The Contractor shall mail all invoices on the date of invoice. All payments not received within thirty (30) days from the invoice date will be subject to a \$29.00 late penalty and a 1.5% per month carrying charge, as well as any reasonable attorney's fees, and all collection and court costs incurred by Contractor in collection of unpaid debt(s). Contractor may terminate contract at any time for nonpayment for services. Any check returned to Contractor for any reason will be assessed a \$30.00 return check fee.

XV. Application or Transfer of payment:

The fees paid for this agreement may be transferred to subsequent property owner(s); however, this Agreement is not transferable. Customer shall advise the subsequent property owner(s) of the State requirement that they sign a replacement agreement authorizing Contractor to perform the herein described Services, and accepting Customer's Responsibilities. This replacement Agreement must be signed and received in Contractor's offices within ten (10) business days of date of transfer of property ownership. Contractor will apply all funds received from Customer first to any past due obligation arising from this Agreement including late fees or penalties, return check fees, and/or charges for services or repairs not paid within thirty (30) days of invoice date. Any remaining monies shall be applied to the funding of the replacement Agreement. The consumption of funds in this manner may cause a reduction in the termination date of effective coverage per this Agreement. See Section IV.

XVI. Entire Agreement:

This agreement contains the entire Agreement of the parties, and there are no other conditions in any other agreement, oral or written.

CERTIFICATION OF ON-SITE SEWAGE FACILITY REQUIRING MAINTENANCE

According to Texas Commission on Environmental Quality (TCEQ) Rules for On-Site Sewage Facilities, this document is filed in the Deed Records of Gillespie County, Texas.

I

The Texas Health and Safety Code, Chapter 366 authorizes the Texas Commission on Environmental Quality (TCEQ) to regulate On-Site Sewage Facilities (OSSFs). Additionally, the Texas Water Code (TWC), § 5.012 and §5.013, gives the Commission primary responsibility for implementing the laws of the State of Texas relating to water and adopting rules necessary to carry out its powers and duties under the TWC. The Commission, under the authority of the TWC and the Texas Health and Safety Code, requires owner(s) to provide notice to the public that certain types of OSSFs are located on specific pieces of property. To achieve this notice, the Commission requires a deed recording. Additionally, the owner must provide proof of the recording to the OSSF permitting authority. This recorded affidavit is not a representation or warranty by the Commission of the suitability of this OSSF, nor does it constitute any guarantee by the Commission that the appropriate OSSF was installed.

II

An OSSF requiring a maintenance contract, according to 30 Texas Administrative Code § 285.91 (12) will be installed on the property described as: (Attached Legal Description Exhibits). Or Subdivision Name _____
Lot # _____

The property is owned by: Michael F. Grossman

This OSSF shall be covered by a continuous service policy for the first two years. After the initial two-year service policy, the owner of an aerobic treatment system for a single-family residence shall either obtain a maintenance contract within 30 days or maintain the system personally.

Upon sale or transfer of the above-described property, the permit for the OSSF shall be transferred to the buyer or new owner. A copy of the planning materials for the OSSF can be obtained from the Gillespie County Sanitation Department.

WITNESSED BY MY HAND ON THIS 5th DAY OF September, 2023.

EXHIBIT "A"

LEGAL DESCRIPTION: BEING 200.917 ACRES OF LAND LYING IN AND BEING SITUATED OUT OF THE RACHAEL MEANS SURVEY No. 6, ABSTRACT No. 457 AND THE W.J.C. PEARCE SURVEY No. 3, ABSTRACT 555, ALL IN GILLESPIE COUNTY, TEXAS AND BEING A PORTION OF THAT CERTAIN 105.895 ACRE TRACT OF LAND CONVEYED TO VERDE MOUNTAIN LAND & CATTLE CO. LLC BY DEED RECORDED IN DOCUMENT 20100626, REAL PROPERTY (DEED) RECORDS OF GILLESPIE COUNTY AND BEING A PORTION OF THAT CERTAIN 659.242 ACRE TRACT OF LAND CONVEYED TO VERDE MOUNTAIN LAND & CATTLE CO. LLC BY DEED RECORDED IN DOCUMENT 20100363 OF SAID DEED RECORDS, SAID 200.917 ACRE TRACT BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS AND AS SURVEYED UNDER THE SUPERVISION OF JAMES E. GARON & ASSOCIATES IN OCTOBER, 2010:

BEGINNING at a point in the centerline of Klein Road for a westerly northwesterly corner hereof and the southwesterly corner of that certain 166.10 acre tract of land conveyed to Ritchie Investments, LP by deed recorded in Volume 477, Page 320 of said deed records from which a 1/2" iron rod with plastic cap stamped "JEGARON RPLS4303" set for reference on the northerly line hereof and southerly line of said Ritchie tract bears S 89°34'49" E a distance of 20.00 feet;

THENCE S 89°34'49" E, passing said 1/2" rod set for reference at a distance of 20.00 feet and continuing for a total distance of 1111.91 feet to a 1/2" iron rod with cap stamped "HCLSC 5357" found on the westerly line of said 659.242 acre tract of land conveyed to Verde Mountain Land & Cattle Co. LLC for an corner hereof and the southeasterly corner of said Ritchie Investments, LP 166.10 acre tract of land;

THENCE N 00°47'06" E a distance of 1470.76 feet to a 1/2" iron rod with cap stamped "HCLSC 5357" found for the northwesterly corner of said 659.242 acre tract of land conveyed to Verde Mountain Land & Cattle Co. LLC;

THENCE along the north line of said 659.242 acre tract of land conveyed to Verde Mountain Land & Cattle Co. LLC, S 87°51'59" E a distance of 1172.12 feet to a 1/2" iron rod with cap stamped "HCLSC 5357" found for angle point and S 73°12'16" E a distance of 505.86 feet to a 1/2" rod set for the northwest corner hereof;

November 4, 2010

THENCE S 00°09'28" E a distance of 3389.39 feet with the east line hereof to an iron rod set for the southeast corner hereof;

THENCE along the southerly line hereof the following three (3) calls:

1. S 79°55'23" W a distance of 1260.92 feet to an iron rod set at the beginning of a curve to the right;
2. a length of 78.46 feet along the arc of said curve to the right having a radius of 450.00 feet and a chord bearing S 84°55'06" W a distance of 78.36 feet to a set for endpoint;
3. S 89°54'48" W a distance of 1473.12 feet to an iron rod set in the center of Klein Road and west line of said 105.895 acre tract of land conveyed to Verde Mountain Land & Cattle Co. LLC for the southwest corner hereof;

THENCE with said line and the centerline of Klein Road, N 00°03'17" W a distance of 1067.54 feet to a 60d nail found for angle point and N 00°08'49" W a distance of 1278.97 feet to the POINT OF BEGINNING, containing 200.917 acres of land, more or less and as shown on sketch of survey prepared herewith.

DEVELOPMENT PERMIT EXEMPTION CERTIFICATE**

FOR COUNTY USE ONLY
APPLICATION NUMBER:

2878-23

THE STATE OF TEXAS §
COUNTY OF GILLESPIE §

NAME OF APPLICANT	Michael Grossman
Applicant's mailing address	5557 Goshenman Ln 78624

THE ABOVE-NAMED APPLICANT APPLIED FOR A DEVELOPMENT PERMIT ON Sept 12, 2023. THE APPLICATION HAS BEEN REVIEWED BY THE COUNTY ADMINISTRATOR AND IT IS HIS/HER DETERMINATION THAT THE PROPOSED DEVELOPMENT IS NOT WITHIN AN IDENTIFIED FLOOD PLAIN OF GILLESPIE COUNTY.

THIS CERTIFICATE EXEMPTS THE APPLICANT FROM DEVELOPMENT STANDARDS REQUIRED BY GILLESPIE COUNTY FLOODPLAIN MANAGEMENT REGULATIONS. WORK IS HEREBY AUTHORIZED TO PROCEED ON THE FOLLOWING DESCRIBED PROPERTY: ADDRESS:

THE COUNTY ADMINISTRATOR HAS REVIEWED THE PLANS AND SPECIFICATIONS OF THE PROPOSED DEVELOPMENT AND DESIRES TO MAKE THE FOLLOWING RECOMMENDATIONS FOR DEVELOPMENT OR DESIGN ALTERATIONS:

WARNING:

The flood hazard boundary maps and other flood data used by the County Administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. This exemption certificate does not imply that developments outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of this exemption certificate shall not create liability on the part of Gillespie County, the County Administrator or any officer or employee of Gillespie County in the event flooding or flood damage does occur.
