(j) Insurance policies will contain waivers of subrogation and waivers of any defense based upon co-insurance or of invalidity arising from any acts of the insured.

(h) Unit owners shall not be prohibited from carrying other insurance for their own benefit that all policies shall contain waivers of subrogation and provided that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be diminished by reason of any such additional insurance carried by any unit owner. Insurance purchased by the Association shall not cover any personal or real property that is solely the for the personal use and enjoyment of the unit owner, such insurance will only protect common area and common property shared by all owners. Owners must insure their personal and real property and further obtain liability insurance to cover injury or damage occurring on or within their unit, or lot, if they wish such insurance coverage. If owners wish to have any insurance related to fire or casualty of their personal units, or any improvements erected they must purchase such insurance. The Association will only insure common areas and common property.

10. Assessments for Common Expenses.

(a) **When Assessments Begin.** The owner of each unit, or lot, shall be obligated to pay annual and special assessments for common expenses, beginning upon the closing of the sale of the first unit, or lot. The exception to this rule will be unsold lots carried by the developer and these unsold lots will not require that homeowner's association dues be paid until the lots are sold and ownership is transferred to an entity other than The Spires at Red Lodge, LLC.

(b) **Amount.** Initial dues shall be set at \$250.00 per year per lot to pay for such expenditures as snow plowing, landscape maintenance, and liability insurance for common areas. One year's worth of dues, or a pro-rated amount depending upon the month of the year, will be billed to each new unit, or lot, owner at settlement when property transfer occurs through Carbon County Title & Abstract. Unsold lots held by the developer shall not be subject to HOA dues. Prior to the annual meeting, the Board of Directors shall prepare an Association budget for the coming year based upon historical data. A copy of that budget, together with a statement of the amount of each monthly assessment for the coming year along with a statement of cash reserves, shall be delivered to each unit, or lot owner, along with the agenda for the annual meeting at least a week prior. Each monthly assessment for a unit shall be equal to the total estimated common expenses for the coming year, plus a reasonable reserve allowance for the replacement of improvements, divided by twelve (12) months, divided by the total number of units. Assessments shall be due and payable on the first of the month. If an annual budget is not prepared as required, then the yearly dues assessment shall remain the same as the prior year until changed by the Board. The regular annual assessments may be changed at any time by the Board as it determines such a change is necessary, or advisable. Written notice shall be given for any changes in the amount of assessments, by mail or otherwise, to each unit owner at least two weeks (14) days in advance of the change in annual payment due at the newly scheduled amount. Except for changes in the amount of annual assessments, no bills or notices that annual assessments are due need be given by the Association. All assessments must be based upon and computed by using the fractional interest that each unit owner has in the common elements. Homeowners Association dues may be adjusted at any time to reflect changing costs and needs of the members. It is further agreed that the developer, The Spires at Red Lodge, LLC, will not have to pay any homeowner's association dues on unsold lots for three years following the date of receipt of final plat. After three years have elapsed all unsold lots must pay regular HOA annual assessments.

(c) **Record Keeping.** All assessments collected by the Association may be commingled in a single fund from which shall be paid the expenses for which the assessments are made. Separate records of payments received shall be kept for each unit.

(d) **Interest and Late Fees.** Assessments paid more than 10 days after the due date shall bear interest at the rate of eight percent (8%) per annum from the date when due until paid; in addition, late paying owners will be obligated to pay a late fee if a schedule of late payment fees has been duly adopted by the Board. Late payments as received will first be applied to late fees, then to interest, and finally to the earliest assessments past due.

(e) **Special Assessments.** Special assessments may be approved by the Board of Directors for capital improvements only upon an affirmative vote of 51% of the members entitled to vote. The Board may impose a special assessment for unanticipated emergency expenses without a vote of the members.

(g) **Account Balance Transfers With Each Unit.** No unit owner shall be allowed to receive the balance in that owners assessment account from the Association when the owner's unit is sold. The account balance will pass with the unit sale to the new owner. This provision will not be deemed as a prohibition on a selling owner collecting the balance of that owner's assessment from a buyer.

(h) **Remedies for Failure to Pay - Enforcement.** The Spires at Red Lodge Homeowner Association has the authority to place liens against the real property of members who are more than 90 days delinquent in the payment of association dues. The costs of placing the lien including administrative costs will be added to the home owner's association dues that must be paid to be brought in to good standing.

11. Maintenance of Common Elements.

(a) **Unit Owner Responsibilities.** Every unit owner shall be responsible for the repairs, maintenance, and good upkeep as it relates to the complete exterior and interior of their unit. Each unit owner shall be responsible for all damages to the other units or to the common elements from their failure to affect such maintenance and repair. Each unit owner will be responsible for paying all taxes and assessments on their unit and for payment of all utilities provided. All utility lines, pipes, fixtures, and equipment serving only one unit shall be maintained, replaced, and kept in good working order by the unit owner.

All maintenance and repairs for which an owner is responsible shall be paid for by the owner. This includes lawn care, exterior painting, replacement of broken glass, and other related maintenance. Each owner will use a high standard of care in performing the maintenance and repairs for which the owner is responsible so that the The Spires at Red Lodge project reflects a high pride of ownership.

Owners of court yard cottage units will be required to pay dues that reflect the costs of all lawn care, snow removal, and exterior maintenance as required by The Declaration of Unit Ownership and the Montana Code Annotated. This will insure that the court yard cottages are well kept and reflect the overall image The Spires at Red Lodge, LLC intends to engender as the Red Lodge area's highest quality development.

All unit owners shall be directly responsible for any repairs to sidewalks following unit construction and will have 6 months from the receipt of a valid certificate of occupancy from the City of Red Lodge to comply with such repairs.

(b) **Common Element Maintenance.** The Spires at Red Lodge Homeowners Association dues cover strictly landscape maintenance associated with all parks and open space and liability insurance coverage for all common elements. All other maintenance associated with individual lots, units, culverts, unit driveways and sidewalks in front of the units is the responsibility of each individual property owner.

12. Restrictions on Use.

The following restrictions apply to the use of all units, lots, and common areas:

(a) **Types of Uses Permitted.** No part of the property shall be used for other than residential purposes with the exception of park side live/work units that will be zoned mixed use, except that an owner may use a portion of their own unit for a home office or studio provided that the activities therein shall not interfere with the quiet enjoyment of any other owner or occupant.

(b) **Potential unit size restrictions based on fire flow.** Depending upon fire flow test results for hydrants in the development unit sizes may be limited. For peak fire flows measured at between 1,500 gallons per minute and 1,750 gallons per minute for 2 hours, units of up to 3,600 square feet of dwelling space, including garages, may be constructed. For peak fire flows of between 1,750 and 2,000 gallons per minute will allow for the construction of residential units from 3,601 square feet up to 4,800 square feet including garage area. It should be noted that the City of Red Lodge is in the process of

designing and installing a bypass main to service the fire flow need of west bench residents, including The Spires at Red Lodge. An engineer has estimated that this will boost fire flows to in excess of 1,750 gallons per minute. Results of the final fire flow tests for The Spires will be posted to The Spires website under the Homeowners Association page at www.spiresatredlodge.com.

(c) Pets. Owners shall be responsible for promptly cleaning up after their pets and for any damage caused by their pet. No kennels or outside pens are allowed and The Spires at Red Lodge shall not tolerate barking or any excess noise caused by an uncontrolled pet. Bark collars with Citronella spray are a highly effective means of controlling barking dogs and are recommended. Invisible fences are also recommended and are a highly effective way to control a pet's range to comply with city ordinances.

(d) No Domestic Livestock. No domestic livestock or poultry may be kept or raised in any unit or on the common elements.

(e) Nuisances. No nuisances shall be allowed in The Spires at Red Lodge or be allowed to interfere with the peaceful possession of the property by other owners or occupants.

(f) Alterations to Buildings and Common Elements. Nothing shall be done in, on, or to any unit or the common elements which will impair the structural integrity of a building. All changes must be submitted to an architectural review committee which will initially include the developers Craig Miller and Don McLaughlin, AIA, along with any unit construction plans to insure that they conform to City Code, setbacks, and the conditions, covenants, and restrictions of The Spires at Red Lodge. Except as otherwise provided in this sub-paragraph, no unit or lot owner or occupant shall erect or place on the limited or general common areas, any building or structure, including walls, patios and decks, nor make any additions or alterations to any common areas, or to the exterior of a unit or garage without the plans and specifications being approved by both the architectural committee and the Board of Directors. In evaluating proposed additions or alterations, the Board shall consider the harmony of the external design, scale, color, and type and quality of materials in conjunction with existing structures, along with interference of view shed corridors and the impact of the improvements on common elements. If plans and specifications are not approved in writing by the Architectural Committee within thirty (30) days after submission then they shall be deemed unapproved. Owners may plant trees, shrubs, and gardens within three (3) feet of the foundation of their unit, or anywhere within the specified building envelope without the consent of the Board. Owners may fence their yards assuming no interference with easements. Fences shall be no taller than four (4) feet, earth tone colors, and shall be made out of wood or composite materials. No chain link fences will be allowed. All fences must be approved in writing and reviewed by the Board. No personal items or equipment of any kind shall be placed on general common areas without prior written consent of the Board of Directors. It shall be the responsibility of the unit owner to obtain the required consent of the Declarant, and to pay any review fees charged by the Declarant. This subsection will not apply to construction or landscaping initially provided by the Developer. No antennas or satellite dishes exceeding two feet in diameter or diagonal measurement, and no air-conditioning units, wiring, or any other device shall be installed on the exterior of any building, yard, or on common elements.

(g) Hot Tubs. Hot tubs shall be permitted on decks or patios if properly screened from view of neighboring units in compliance with the provisions of Section 12 (e) above.

(h) Maintenance and Repair. Unit owners shall promptly perform all maintenance and repair work within their own units which, if not attended to, could affect any common element, and each unit owner will be responsible for all damages and liabilities created by such failure.

(i) Garbage. All garbage and trash must be placed in the proper receptacles used for refuse collection and no garbage or trash shall be placed elsewhere on any common element or outside any building; trash containers must be kept inside a garage except on collection days.

(j) Noise. Residents and their guests shall exercise care about making noise which may disturb other residence. Fireworks, while allowable by State law, are not allowed in The Spires at Red Lodge. No unit owner shall operate or allow to be operated any sound producing device in a unit or on

common areas between the hours of 11 p.m. and 7 a.m.. While units are being constructed, noise made by construction workers between the hours of 7 a.m. and 8 p.m. will not be considered a violation of this restriction.

(k) Storage. No outdoor storage of any items, especially those that might increase the fire hazard, will be allowed. No outdoor storage sheds will be allowed and it is recommended that unit owners plan for additional storage space inside their garages by making them larger if additional storage is required.

(l) Unlawful Use. No unlawful use shall be made of any unit, the common areas, or any other part of The Spires at Red Lodge.

(m) Signs. Hanging signs, garments, or any non-permanent fixture to the units is prohibited. A single numerical placard identifying the address is allowable and required for safety. One "For Sale" sign may be displayed in the front yard of each unit which is for sale. Construction signs are allowed up until the time a unit has received a certificate of occupancy from the City. The one exception to this rule will be the live/work units with mixed use zoning where construction signs of 2 ½ feet in length and one foot of width may be displayed with proof of a valid City of Red Lodge sign permit. These signs must be permanently affixed to the front of the units, no higher than 4 feet above grade, and must be made of carved wood, carved foam, and have their design approved by the Architectural Committee prior to installation.

(n) Parking. Parking shall be both on-street and off-street and never block the progress of any required safety vehicles that may need to gain access to units. All unit owners should park in their garages or driveways keeping on-street parking open for guests or visitors. Non-operating vehicles, boats, trailers, snowmobiles, motorcycles, campers, motor homes, and RV's shall not be parked in open areas or on driveways for a period exceeding 48 consecutive hours or 6 total days in any one calendar year. Improperly parked vehicles will be removed at the owner's expense and any vehicle parked in a Fire Lane will be towed immediately.

(o) Satellite Dishes and Antennas. Owners may install a small satellite dish or antenna, not exceeding 2 feet in diameter or diagonal measurement in the yard at the back or side of their home inside the building envelope, or on the exterior surface of their home, without prior approval of the The Spires at Red Lodge Architectural Committee.

(p) Receipt and processing of complaints. All complaints regarding failure to comply with these covenants should be directed to The Spires at Red Lodge Homeowners Association Board of Directors in writing.

(q) Fines. The Board of Directors is hereby authorized to adopt a schedule of fines for violation of any of the provisions contained in this Section, and for violation of any additional rules adopted by the Board pursuant to Section 13, and to assess fines against all owners who violate these provisions.

The owner of each unit shall be responsible for fines resulting from the conduct of the occupants of the unit and their guests. In the event any occupant, or guests of any occupant, fails to abide by the provisions of this Section 12, or the rules adopted pursuant to Section 13 below, the Board shall be entitled to recover from the unit owner all costs and attorneys fees incurred by it in compelling compliance with or without a lawsuit, including the collection of fines imposed by violations. All fines will become a lien on the unit of the owner against whom the fines are imposed and if unpaid, the lien may be foreclosed in the same manner as a lien for common expenses.

(r) Ditch water and obstructions. No unit owner may make any changes to, or withdraw any water from, the ditches that runs through the property. This water belongs to downstream agricultural users with legal Montana water rights claims and any attempts to divert this water for personal use or to add any manmade obstructions to the ditches will likely be prosecuted to the full extent of the law by the ditch company and its owners.

(s) Noxious Weed Control. *The control of noxious weeds by the Owners Association on those areas for which the Owners Association is responsible and the control of noxious weeds by individual's owners on their respective lots shall be as set forth and specified under the Montana Noxious Weed Control Act (MCA 7-22-2101) and the rules and regulations of the Carbon County Weed District.*

The landowner shall be responsible for the control of the state and county declared noxious weeds on his or her own lot. Both unimproved and improved lots shall be managed for noxious weeds. In the event a landowner does not control the noxious weeds after 10 days notice from the Owners Association, the Owners Association may cause the noxious weeds to be controlled. The cost and expense associated with such weed management shall be assessed to the lot and such assessment may become a lien if not paid within thirty (30) days of the mailing of such assessment. The Owners Association is responsible for control of state and county declared noxious weeds in the subdivision parks, open spaces, community areas, trails and roadways.

13. Rules and Regulations

Administrative rules and regulations concerning the use of the common elements may be adopted and amended by the Board of Directors with a 51% approval of the members entitled to vote. A copy of the current rules and regulations is available on The Spires at Red Lodge website on the Homeowners Association page at www.spiresatredlodge.com.

These covenants may not be repealed or amended without the prior written consent of the City of Red Lodge. The City of Red Lodge can be a party to any of these restrictive covenants and may enforce their terms.

All sidewalks must be 5 feet in width. Sidewalks shall be installed over a properly compacted subgrade and consist of a minimum of two (2) inches of Portland cement concrete over a minimum base of four (4) inches of crushed course aggregate, with expansion joints every six (6) feet. The compacted subgrade and base shall extend at least two (2) inches beyond the cement surface on both sides of the sidewalk.

In the event the developer has installed the sidewalk for a lot owner, the lot owner will be solely responsible for making all sidewalk repairs required following unit construction and repairing any damage that has occurred as a result of construction.

14. Working Capital.

The Developer, as agent of the Board of Directors, shall collect from the initial purchasers of each unit, at the time of closing, an initial capital payment equal to the Buyer's prorated share of the insurance for one year plus an amount equal to one years worth of regular monthly assessments. The Developer shall be entitled to keep the prorated share of payment from the insurance if the Developer paid the premium for the unit sold for that period; otherwise the premium will be paid to the Associations insurance agent or carrier. The remainder of each initial capital payment will be delivered to the Secretary/Treasurer of the Association to provide the necessary working capital for the Association. Such funds can be used for pre-paid items including initial maintenance, equipment, supplies, organizational costs, furnishing for common areas, landscape maintenance, and other start up costs and for such other purposes as the Board may determine. These funds may not be used by the Developer to defray any of its expenses, construction costs, or other financial obligations.

Additionally at closing the Developer may collect the pro-rata share of the current year's assessments from the purchaser.

15. Liability of the Unit Owners and the Association.

The Association will not be liable to any unit owner or any occupant of a unit for any failure to provide services paid for as a common expense, or for any uninsured injury or damage to person or property caused by the elements, or resulting from water, snow, or ice which may leak or flow from any portion of the common elements or from any pipe, drain, or conduit, appliance or equipment on to a unit. The Association will not be liable to any unit owner or occupant of a unit for uninsured loss or damage, by theft or otherwise, for articles stored upon the common elements. This is not a waiver of liability between unit owners. No abatement from any assessments shall be claimed or allowed for any inconvenience or displacement for the making of repairs or improvements to the common elements, or from any action taken by the Association to comply with any law, ordinance, or any governmental directive. The Association shall not be liable to any unit owner or occupant of a unit for uninsured injury or damage to person or property caused by another unit owner or occupant. The Association shall not be held liable to any unit owner or any occupant of a unit for uninsured personal injuries or uninsured injuries to property occurring on common elements.

16. Amendment or Modification.

(a) Prior to the sale and closing of any unit, these Bylaws may be amended by the Developer. Each owner, by the acceptance of a deed to any lot or unit shall be deemed to have approved any such amendment by the Developer, and to have granted to the Developer the power, pursuant to 70-15-301 MCA to make such amendments.

(b) These Bylaws may be amended by the Association in any meeting called for such purpose or by written petition circulated among the owners; provided that no amendment shall take effect without Developer approval until all of the units have been sold by the Developer with the exception of any unit that the Developer may hold back for personal ownership. No amendment shall take effect unless approved by at least 51% of the unit or lot owners and until a copy of the amendment, certified by the President and the Secretary/Treasurer is recorded in the office of the Carbon County Clerk and Records office; provided that the Bylaws shall always include those elements required to be included herein by the Montana Unit Ownership Act.

The consent of at least fifty-one (51%) of eligible mortgage holders shall be required for a change in any of the following:

- (i.) Increases in annual assessment of more than 25% of the prior assessment;
- (ii.) Reductions in the Associations reserve account;

In the event the Board of Directors shall fail to affect the enforcement of the provisions of these Bylaws or the Declaration of Unit Ownership or duly adopted rules and regulations, any unit owner shall have the right to do so.

Any failure of the Board of Directors, the Association or any of its members to enforce the provisions of these Bylaws or the Declaration of Unit Ownership of The Spires at Red Lodge or any rules and regulations adopted by the Association shall not be deemed a waiver of the right to do so in the future.

The losing party in any lawsuit or arbitration brought to enforce these Bylaws or the Declaration, or to foreclose a lien described in the Declaration or the Bylaws, shall be obligated to pay the reasonable attorney fees incurred by the prevailing party, together with costs incurred in the action. In the event the services of any attorney are used by the Association or its Board to enforce these Bylaws without filing a law suit or initiating arbitration, the party violating these Bylaws shall be obligated to pay the attorney fees incurred by the Association; the attorney fees shall be a lien on the unit of the violating owner.
