That great things sometimes come in smaller packages has never been so true than in this residence. Every inch of these 2,500 square feet delights. The kitchen/grand salon connect to the den/office and terrace — creating an expansive open-plan design. Here as well are long spaces that invite dramatic artwork. There is an expansive owner's suite, highlighted by Amara's only spa-like combination bath and shower feature. In all, spaces that invigorate every day on Sarasota Bay.
