Light and views are the order of the day – every bedroom offers expansive city and bay views, with the grand salon and den sharing a 90° panorama of Sarasota and the marina. Three bedrooms, each with ensuite baths, wrap about the central entertaining spaces — an open concept plan that flows to an expansive terrace and outdoor kitchen. We say entertaining, as every moment here offers the promise of a thrilling lifestyle. Nearly 2,900 square feet of indoor/outdoor space, every inch, pure perfection.
