OLANA

NAPLES RESIDENCES

A FIRST-OF-ITS-KIND LUXURY RESIDENCE IN NAPLES, OLANA COMBINES BEACHFRONT LIVING AND EXCLUSIVE PRIVACY FOR A HOME TO BE TREASURED FOR GENERATIONS.

Introducing Olana, a collection of 12 estate-sized residences on an unrivaled beachfront with exclusive five-star service. This have-it-all location is the premier property of the entire Gulf Coast.

At the Gulf's Edge, a private beach oasis surrounded by the best of Naples.

THE FIRST OF ITS KIND

The 12 private residences rise within a lush tropical garden. Tucked between Miracle Mile and the pristine Gulf beachfront, it is an oasis of privacy just moments from the excitement of charming Naples' downtown.

Timeless
& ENDURING DESIGN

With timeless design by the celebrated studio of Randall Stofft Architects, and interiors by the renowned Champalimaud Design, each residence is conceived as a stand-alone home, extending over 10,000 square feet and featuring expansive views of the Gulf.

A Carefree
HOME IN THE SKY

A residence where everything is taken care of, Olana's exacting service and hospitality provide meticulous care of every aspect of the property, with top-level maintenance, security, and a host of amenities overseen by a dedicated staff, offering one of life's most elusive treasures — ease.

Exemplary architectural artistry respects history and embraces the imagination to transcend time. I think of Olana as a mansion in the air, surrounded by a park-like setting.

— Randall Stofft, Founder & Principal, Randall Stofft Architects

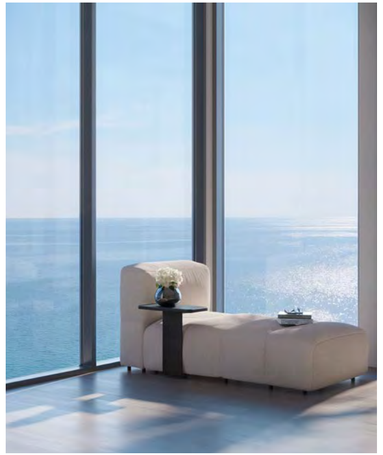

A Boundless HORIZON

At Olana, floor-to-ceiling glass walls offer unparalleled natural light and 80 feet of unobstructed views of the crystalline Gulf, stretching all the way to the horizon. Expansive waterfront terraces extend living spaces to the outdoors, with transparent glass panels and breathtaking beachfront vistas.

Thoroughly Designed for REFINED LIVING

The remarkably spacious residences feature custom-curated designer interiors and finishes, with gracious room for entertaining and relaxing. Spanning over 10,000 square feet with soaring 11-foot ceilings, Olana's airy luxurious residences are bathed in natural light, and designed to elevate living to an unprecedented caliber in Naples.

Good design begins with an exceptional story. At Olana, the design feels rooted in tradition, yet somehow contemporary and timeless, like Naples itself.

— Alexandra Champalimaud, Founder, Champalimaud Design

Internationally Acclaimed INTERIORS

Leading the interior design of Olana, the eminent studio of Champalimaud is already hailed in the field for its work on the new Port Royal Club and some of the finest spaces around the world. Champalimaud's elevated and enduring designs provide unique, inviting environments to live, host and relax in. Particular attention has been paid at Olana to discreet yet refined interiors that maximize the airy lightness of the architecture, reflecting timeless design.

Private Amenities WITHIN THE HOME

The expansive floor plans were carefully considered to feature every amenity befitting a luxury home. Each residence boasts a fully customizable clubroom, complete with a wet bar and a glass-fronted, temperature controlled wine storage vault — ideal for collectors. A full professional-style chef's kitchen, outfitted with restaurant-grade equipment, is designed for entertaining or staff use, while a second presentation kitchen provides a more intimate space for everyday meals.

Spacious walk-in closets can be tailored to individual preferences. For ultimate relaxation, the in-home spa includes a private steam room, sauna, therapeutic tub, cold plunge, and a powder room and treatment area that can be personalized. The home gym ensures complete privacy for workouts, enhanced by serene garden views.

Each room in the home has its own sense of balance and harmony. But the crowning glory of each space is the natural light that shines in.
