ARCHITECTURE & DESIGN

Designed by the globally renowned Arquitectonica, the entire building emphasizes movement, light, and duality—with connections to nature and cityscape as well as energy and relaxation.

- Glistening in the Fort Lauderdale sun, the 500-foot residential tower stands as a monument to modern luxury
- Sleek walls of glass, brushed champagne bronze exteriors, and subtle curved details form a contemporary aesthetic
- An open amenity level creates a striking visual space between the podium and tower of the building with 30,000 square feet of amenities, bespoke services, and the legendary hospitality of Viceroy Hotels & Resorts
- Dramatic porte-cochère entryway, with lush tropical landscaping, attended by the Viceroy building staff
- Corner plaza anchored by F&B offering with 22-foot ceilings, lush landscaping, and outdoor seating
- Strategically placed lighting emphasizes lines, patterns, and aesthetics

AMENITIES & SERVICES

Viceroy Fort Lauderdale offers a life of pleasures perfected for today's distinctive city dwellers.
