Finishes and styles are subject to brand change. Any changes in the offerings of colors, styles and brand names will be of comparable value and likeness.

Plans, materials and specifications are subject to architectural and other revisions at the sole discretion of the developer, builder or architect, or as may be requested by law. Floor plans may not be to scale. Any furniture, appliances or decorator ready items depicted herein are shown for artistic and illustrative purposes only and are not included in the purchase and sale of the condominium unit. There are various methods for calculating the total square footage of a condominium unit, and depending on the method of calculation, the quoted square footage of a condominium unit may vary. The dimensions stated in this brochure are measured to the exterior boundaries of the exterior walls of the condominium building and the centerline of interior demising walls and, in fact, are larger than the dimensions of the "Unit" as defined by the Declaration of Condominium for Rosewood Residences Naples which are measured using interior measurements. All dimensions are approximate and all floor plans and development plans are subject to change. All dimensions are approximate and all floor plans and development plans are subject to change.

This project has been filed in the state of Florida and no other state. This is not an offer to sell or solicitation of offers to buy the condominium units in states where such offer or solicitation cannot be made.
