FAVORITE THINGS ABOUT THIS HOME

VIEW: Private, treehouse-like elevation off the screened-in porch, kitchen & living room overlooking lush trees and areas that will never be built on, ensuring serene, unchanging natural privacy & relaxation.

ROOM: The kitchen - its open, bright spaces are perfect for gathering, cooking together, and creating lasting moments with the family.

TREE: Our palm trees add that classic coastal vibe throughout the front & back yard.

WALK: Easy walk to the private Tidalwalk beach & dock on the Intracoastal.

LOCAL BEACH: Private Tidalwalk beach overlooking the Intracoastal Waterway toward Masonboro Island & quick boat ride or kayak paddle to the island's pristine shores.

BREAKFAST: Wake N Bake donuts across the bridge in Carolina Beach - always fresh and delicious.

LUNCH: Dockside at Ocean Grill & Tiki Bar in Carolina Beach - sun, waves, and casual food.

DINNER: Freddie's in Kure Beach - our top pick for family-style Italian (chops, pasta, seafood) just minutes away.

LOCAL PUB: South Front Tavern (owned by TW neighbors Mark & Donna) for watching games or yummy Sunday brunch; Benny's Big Time Pizzeria across the street; The Barge in Carolina Beach for sunset cocktails & live music.

LIVING IN OUR HOME HAS BEEN: Amazing for our family! Almost like an endless vacation. Golf cart-friendly streets designed for walking, biking, and joining in community social activities whenever you want. The clubhouse is only 2 doors down, with a pool, fitness center & green space perfect for friendly gatherings, concerts and other community events that bring everyone together. The walk-out basement has given our children & their friends endless hours of entertainment while the flowing floor plan creates open, welcoming spaces where everyone feels truly at home. Paired with a gated neighborhood with waterfront living, private beach access, palm-lined treehouse views, and easy boat trips to untouched islands, TW has been coastal living at its best!
