FAVORITE THINGS ABOUT THIS HOME

VIEW: The ocean view from our rooftop terrace. The ocean is so close. You can see it and hear the waves. We can even watch the fireworks from the Carolina Beach Boardwalk right from up there. It's one of our favorite places to sit and enjoy the breeze.

ROOM: The main living area. The extra-large patio windows bring in so much natural light, and it's an easy place to relax or gather with family and friends after a day at the beach.

WALK: We have three favorites. One is the walk to Carolina Beach Lake Park, which is always peaceful and a great place to stroll around the lake. The other is the Island Greenway, which is perfect for a longer walk through the natural areas of the island. And of course, walking on the beach at sunrise or sunset is always special. All of it is close by and makes it easy to get outside and enjoy the area.

BREAKFAST: Britt's Donuts on the Carolina Beach Boardwalk. It's not really a breakfast restaurant, but their hot glazed donuts are a nice little breakfast-like treat.

LUNCH: Ocean Grill & Tiki Bar. It's a short walk from our place and a great spot to grab lunch by the ocean.

DINNER: Havana's Restaurant. Great evening vibe.

LIVING IN OUR HOME HAS BEEN: Relaxing and easy. Life here slows us down a bit - whether it's morning walks, time at the beach, or just enjoying the ocean air. It's a place where it's easy to unwind and enjoy the simple things about coastal living.
