1	1	11				In any or all of the Property located wholly or partially in the Special Flood Hazard Area ("100 year floodplain") according to FEMA's current flood insurance rate maps for your area? Is any or all of the Property located wholly or partially in a Moderate Risk Flood Hazard Are
į.	1	W	ă	Ĕ	129	("500-year floodplain") according to FEMA's current flood insurance rate maps for your area? Is the Property subject to any requirement under federal law to obtain and maintain floorinsurance on the Property?
						Properties in the special flood hazard area, who known as high risk flood zones, on FEMA's flood insurance can maps with mortgages from finkerally regulated or insured traders are required to obtain and maintain flood insurance. Even when not required, FEMA encourages property owners in high risk, moderate risk, and low risk flood zone to purchase flood insurance that covers the structure and the personal property within the structure. Also note the properties in constant and riverine areas may be subject to increased risk of flooding over time the to projected sea leve rise and increased extreme storms caused by climine change which may not be reflected in current flood insurance risk maps.
	£	M	1	1	130.	Have you ever received assistance, or are you aware of any previous owners receiving assistance from FEMA, the U.S. Small Business Administration, or any other federal disaster flood assistance for flood damage to the Property?
in	,	WW.	12		œ	For properties that have received federal disaster assistance, the requirement to obtain flood insurance gastes down to all future owners. Failure to obtain and maintain flood insurance can result in an individual being ineligible for future assistance.
	1	M	į	1	131	Is there flood insurance on the Property? A standard homeowner's insurance policy typically does not cover flood damage. You are encouraged to examine you policy to determine whether you are covered.
	r	W	1	3	132	Is there a FEMA elevation certificate available for the Property? If so, the elevation certificate must be shared with the buyer. An elevation certificate is a FEMA form, completed by a licensed surveyor or engineer. The form privates critical
						information about the flood risk of the Property and is used by flood materines providers under the National Flood Insurance Program to help determine the appropriate flood insurance rating for the Property. A bayer may be able to use the elevation corrilled from a previous owner for their flood insurance policy.
	F	M	t	Ĭ	133	Have you ever filed a claim for flood damage to the Property with any insurance provider including the National Flood Insurance Program? If the claim was approved, what was the amount received? \$
