As luxury residential real estate experts and residents of Newport Beach and Newport Coast for more than 25 years, Shana Spitzer and Laura Roche have extensive knowledge of the local market, which has made them one of the most sought-after real estate teams in the area. The successful duo currently has nearly \$30 million in active listings, and last year, sold one of the most notable estates in Newport Coast, a 10,600 square foot custom home in Crystal Cove with sweeping ocean views and a 25-car garage. Shana and Laura have a stellar reputation for providing discriminating buyers with the highest level of luxury real estate services, from their in-depth expertise in the coastal residential market, to their skillful negotiation and dedicated personal service.
