THIS FORM MUST BE COMPLETED FOR ANY PROPERTY BUILT PRIOR TO 1978

SELLER Thomas D Fletcher, Lauren Zetts

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Buyer with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

TDI / LZ **Seller has no knowledge** of the presence of lead-based paint and/or lead-based paint hazards in or about the Property.

 / **Seller has knowledge** of the presence of lead-based paint and/or lead-based paint hazards in or about the Property. (Provide the basis for determining that lead-based paint and/or hazards exist, the location(s), the condition of the painted surfaces, and available information concerning Seller's knowledge of the presence of lead-based paint and/or lead-based paint hazards.)

TDI / LZ **Seller has no records or reports** pertaining to lead-based paint and/or lead-based paint hazards in or about the Property.

 / **Seller has provided** Buyer with all available records and reports regarding lead-based paint and/or lead-based paint hazards in or about the Property. (List documents): _____
